Health Concerns: homebound persons

The family of Diane Eberly wants to say thank you for support to us and Diane. Many in the church family can feel the ache that was caused by her illness and death. You have walked beside her and uplifted her in countless ways. More recently, your assistance at our house when Ben had to be hospitalized, providing and serving of the noon meal after Diane's funeral, and many other acts of kindness were particularly heart warming.

We have been supported, encouraged, sustained, and blessed by your ministry to us. And together we were able to witness a fitting end to a beautiful life.

Thank you all for the ways your giving has helped us.
