**Wednesday, September 21, 7:15 PM:** House Of Prayer Experience (HOPE). Adults, young adults and youth are invited for this special prayer meeting. This will feature a short time of praise and worship as well as corporate prayer both in small group and entire group settings. This represents a great opportunity to join in a group prayer meeting if you've never done so before. Participants

will receive handouts guiding them through this roughly hour-long experience, which will include prayer for a number of the pertinent issues of our day as well as short prayers of blessing from one person to another.

### PLANNING AHEAD

**September 23-24:** Mt. Valley Assembly at DMC

**Sunday, September 25, 9:30:** Sunday School - “Wisdom and Discernment”, Prov. 25:1-11, Moderator - Terry Cline, Preaching - Daryl Driver, Offering - Cong. Operating Fund, Hostess - Carol and Mark Weaver

**If you are interested in providing childcare** during the Sunday School hour, please see Edith Emswiler.

**Tables are still available for purchase** in the church basement.

**If any of you are interested in feeding** the Harrisonburg children a Sunday lunch meal let me know. I am making up a schedule that will have two families team up to make a meal once a month. Helen Brunk

**The Apples-for-Relief Project begins** Monday, September 26, running weekday evenings for three weeks at the Hinton Mennonite Relief Center. Specified nights for Mt. Valley Churches volunteers, including persons from Dayton Mennonite, are September 26 and October 3, but anyone is welcome to participate on any evening. More details are listed on the bulletin board in the foyer.

**The first of three Sunday evening small group nights is September 25 at 7:00 PM.** These will occur in homes and are for all ages (the other dates are October 23 and November 27). Check out the sign-up sheet on the bulletin board in the foyer; after signing up you will be assigned to a group for the three meetings (you can certainly participate even if you can't make all three meetings). *If you are interested in having childcare at your small group meeting, please contact Brother Daryl.* At the first meeting, the evening of September 25, groups will work with discussion questions based on that morning’s sermon. After the three fall meetings we will gather feedback and evaluate how things have gone.

**Do you have extra coins jingling in your pocket?** Contribute them to the Penny Power jar and partner with MCC and VMM to help drill a well in Haiti or build a dam in Tanzania. These funds are raised for the Virginia Relief Sale which is held the first weekend of October.
