### Church Council Report (March 10, 2009)

- 1) The treasurer reported all accounts positive except the WMSC Fund (-\$227).
- 2) Interest was expressed in donating latticework from a recent wedding if it would prove to be helpful to the congregation. Council decided to retain the latticework for the present and reevaluate its usefulness at a later date.
- 3) Terry Cline, head trustee, reported that the floor cleaning machine has been purchased and is now in use.
- 4) After investigating the cost and details of card holders being placed in the pews, Leon Heatwole suggested that Council consider other options at this stage for making contact with visitors at DMC. Council decided to continue researching gift and brochure possibilities for welcoming and informing visitors

in lieu of information cards in the pews, and asked Brother Daryl to write a draft of a brochure geared to visitors.
